
The Martian Reading Journal #2

Section 1: Chapters 6-10, pp.49-113

Discussion questions to consider (use post – its (5+) to mark for discussion for all three classes):

1. Explain the role of the support team (minor characters) on Earth.
2. Which role on the support team would you like to play and why? Choose one minor character to empathize with and explain why.
3. How does Mark continue to solve his problems? What new characteristics does he use to help solve his many problems?
4. Do any of these characteristics connect with any MIGHT values of STEM? Which ones and how do they connect?
5. Use post - its in the book (stick them out of the book to locate easily) to ask questions of clarification for the class discussion.
