

MIGHT

An introduction to our CORE's motto

M = Mindfulness

- Slowing down
- Listening
- Thoughtfulness
- Attention to detail
- Doing one thing at a time
- And yes, breathing:)

The myth of multi-tasking: it scatters the mind so that we do none of the tasks well. “Go slow to go fast,” and your work will be of high quality.

I = Innovation

- Creative thinking
- Design thinking
- Invention
- Question - asking

To innovate is to ask meaningful questions that allow human civilization to evolve and grow.

G = GRIT

- An acronym within an acronym!!!

- ★ Growth - always learning, growing
- ★ Resilience - overcoming obstacles
- ★ Integrity - academic honesty without plagiarism
- ★ Tenacity - fierce jaguar energy

It takes grit to solve a challenging problem or overcome a barrier. Failure is okay. It's what we do after we fail, which teaches us grit.

H = Habits of Professionalism & Mind

- Work ethic
- High standards
- Doing your best!

**THAT MOMENT YOU
REALIZE YOU ARE
CREATURE OF HABIT
AND DECIDE TO MAKE
THE CHANGE TO CREATE
A NEW FUTURE...
PRICELESS!**

We strive to be professional in all aspects of our work.

T = Teamwork

- ❑ Interconnectedness
- ❑ Unity
- ❑ Role responsibilities
- ❑ There is no “I” in TEAM

Our success derives in large part from our ability to collaborate, to bring out the best in each other.

Let's strive to be MIGHTy this year...
